Dear George, dear Mary and
of your children,

It affords me great pleasure to send
you mine and Babbett's heartiest wishes
to the coming New Year. I thank your
Son for writing me a letter, and we
sincerely hope that it will be convenient
to you, that we will meet during the
Summer at St. Louis, and try to make a good time of
it. With our best regards to all. We are as ever
Yours truly Babbett Thurgo.
